Business Statistics

Author: Naval Bajpai Price : Rs 499/-

Business Statistics offers a foundation in core statistical concepts using a perfect blend of theory and practical application. This book presents business statistics as value added tools in the process of converting data into useful information.

India-centric case studies and examples demonstrate many uses of statistics in business and economics. The underlying focus on interpretation of results rather than computation makes this book highly relevant for students and practicing managers.

Kautilya's Arthashastra

The Way of Financial Management and Economic Governance

Author: Priyadarshri Academy Price: Rs 250/-

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system.
